EXPERIENCE

Dogs Fly Design 2009–present

Freelance Designer & Programmer

Working off-site for Dogs Fly Design, I have been a part of a wide variety of projects with various clients. Specializing in working with small businesses and startups, each project has been different and unique. Work has ranged from the following:

Web design	Identity design	On-screen ads
WordPress theme development	Print design	Video editing

IDEO 2009–2011

Contract Multimedia Designer

I have worked with multiple teams on various projects at the Palo Alto and San Francisco offices. Work has ranged from the following:

iPhone game design	Art asset creation	Video editing
2D animations	SFX integration	Audio editing

Select Freelance Work:

Tag-A-Long Designs *Identity, retail packaging and web design*

Citizen Group *Video editor for World Wildlife Foundation project*

A.D. Morales *Designed and developed a social media portal*

Future Light Digital Workshops *Front-end web programmer*
